The new STAAR exams for high school students in Texas have got a lot of students worried, and rightly so. If you're currently enrolled in a Texas high school, you have no doubt already heard some rumors (and some horror stories) about these new tests. You've been told that there are a dozen tests you have to pass. You've heard that each test can take hours to finish. People are saying ...

[STAAR Success Strategies Grade 5 Mathematics Workbook ...](#)

During STAAR season, my school puts us on a modified schedule called the "Double-Double", where ultimately, 5th grade students get three hours a day of Reading and Math in the month before they test, then flip to three hours a day of Science for a month before that test is administered. I must say our scores have benefited greatly from this, although I know my school isn't typical and ...
