Through an analysis of the activities of Arab-Palestinian and Jewish organizations on behalf of and towards their conflict-ridden homelands, Diasporic Activism in the Israeli-Palestinian Conflict provides both a detailed picture of diasporic activism in the Middle East as well as advancing theory-building on the roles of diasporas in helping or hindering peace. Particularly since the Oslo peace process, the search for a solution to the Israeli-Palestinian conflict has been strongly contested ...

[10 Facts about the Israeli-Palestinian Conflict – History Hit](#)

For 70 years, the Israeli-Palestinian conflict has affected the Middle East landscape. A comprehensive diplomatic solution has evaded international efforts, leaving some disillusioned about the prospect of peace. Large-scale violence ebbs and flows, leaving communities insecure and enabling the conflict to persist as a rallying tool for extremist actors, thereby demanding continued U.S. and ...
