[Trading Up Candace Bushnell](#)

Bushnell's third novel, "Trading Up" is a wickedly funny social satire about a lingerie model whose reach exceeds her grasp and whose new-found success has gone to her head. The book takes place in the months leading up to 9/11, and portrays a wearily decadent society.

Trading Up is a pretty standard chick lit book, with fun details about couture clothing and posh Hamptons parties (everything you'd expect from Candace Bushnell), but it also includes a hunky polo player and a great main character. Sorvino gives all of the characters great voices and she's a pleasure to listen to. Two thumbs up for an escapist listen!
